

Iowa Map Contest 2022

Mapping Iowa's Unique History or Geography

The Iowa Map Contest is an ArcGIS Online map competition for Iowa middle and high school students. This year's theme is **Mapping Iowa's Unique History or Geography**. Students are invited to create a map using this theme that tells a story about Iowa. **All Iowa public, private, or homeschool students, grade 4-12, are eligible to enter.**

There are two divisions for entry, the middle school division (grades 4-8), and the high school division (grades 9-12)

\$100 cash award will be given to the five maps judged to be the best in each division.

What story will you tell?
